Legion Post Celebrates Its 15th Birthday

Sponsors Dinner-Dance, Armistice Programs and Open House

A four-fold program was sponsored by Antioch American Legion Post No. 784 in observance of its fifteenth anniversary which occurred Nov. 10, and Armistice Day.

On Monday afternoon, the Legion sponsored an Armistice program at Antioch Township High school, a detailed account of which is to be found on another page of this issue of the News.

In the evening, two hundred and fifty, including Legionnaires, their wives and friends, enjoyed a 7 o'clock dinner-dance and program in St. Peter's parish hall.

The color guard and firing squad of the Legion and the Junior Legion drum and bugle corps headed a march through the business section Tuesday morning, Armistice Day, and conducted a brief but impressive Armistice service in the Village park at 11 A. M. Prayer was offered by Chaplain J. Harry Messinger. A volley by the firing squad and the playing of "Taps" by Sammy Klass, bugler in the Junior Legion drum and bugle corps, closed the services.

William F. Waugh, past department commander for the state of Illinois and present member of the national executive committee, was the principal speaker on the program held in connection with the dinner-dance.

Gold Star Mother Honored
The program opened with a welcome on behalf of the Legion and a roll call of past commanders, conducted by Roman B. Vos, present commander of the Antioch Post. Arthur W. Rosenfeldt gave the welcome on behalf of the community.

Mrs. Thomas Birnnette, gold star chairman of the Antioch Legion Auxiliary, presented a bouquet to Mrs. Mary Mann, Antioch's only gold star mother.

Citations Presented

Preceding the introductions and the speaking, Adjutant John L. Horan presented citations to several organizations for their co-operation with the Antioch Legion post. Among organizations thus honored was the village board of trustees, with Arthur Rosenfeldt, trustee accepting for the village; Chief R. L. Von Patten for the Antioch Volunteer Fire Department; Robert King for the Antioch Lions Club; Principal J. O. Austin for the Antioch Township high school; and Ralph Clabough for the grade school; and Mrs. Frank Harden, president of the Auxiliary unit No. 748.

Individual awards were presented to J. B. Fields, supplying headquarters; Marshals Theiman and Petersen, police work; Bert Dickey, photographic service; Arthur Mapleshorpe and Capt. L. D. Powles, firing squad; J. L. Horan, service officer; and Noel E. White, Fox Lake, second division service officer, for his assistance to the local post; and to Otto S. Klass, for his splendid directing and sponsorship of the Junior Legion Drum and Bugle corps.

Legion members also were given awards for 15 years' service.

Douglas Getchell of Grayslake, past Tenth district commander, was introduced as toastmaster by Vos, and in turn presented the officials of the second division, Tenth district, Legion auxiliary, 40 et 8 and 40.

Waugh's address followed, and the remainder of the evening was devoted to dancing, to the music of Joe Biding's orchestra.

Reception in Clubroom

During the afternoon and evening Tuesday, Commander Vos and the Legion personnel were hosts at a reception in the Legion club rooms.

Besides the many individuals who called to extend their congratulations on the Antioch post's 15 years of service to veterans, the relatives of veterans, and to the community in general, practically the entire personnel of the Pickard plant called in a body, following a meeting of their bowling league early Tuesday evening.

For the first time in its career, the Antioch rescue squad answered a call to find no victims, when it was summoned to the corner of Routes 173 and 45 Friday evening. An attendant at Spiering's castle who had put in the call when an automobile traveling at a high rate of speed skidded and overturned a short distance south of the intersection, reported that the vehicle had been righted meanwhile by three or four men who had been riding in it, and had departed—at a high rate of speed. Skid marks on the pavement, and the impression made by the car where it rolled over on the soft earth alongside the pavement, were the only traces that remained.

Arthur Maleck Loses Toe In Target Practice Mishap

The accidental discharge of a 22-calibre rifle with which he was engaging in target practice Sunday afternoon resulted in the loss of a toe for Arthur Maleck.

Maleck, who lives at 547 North Butrick street in Waukegan and Jake Drom were practicing marksmanship on tin cans at the old Antioch dump on Smart road Sunday afternoon around 4:30 o'clock.

The bullet struck the second toe on his right foot, shattering it so badly that it had to be amputated. Dr. A. N. Burke was the attending physician.

Adj. Horan Made Navy Editor During Drive For Recruits

Says Navy Offers Splendid Training for Ambitious Young Men

At the suggestion of Secretary of Navy Knox, that every newspaper appoint a Navy Editor, to help the Navy in giving ambitious local young men information about the opportunities the "Two-Ocean" Navy offers them for technical training and advancement as they serve their country in its emergency, the Antioch News has appointed Adjutant John Horan of the Antioch Legion post, to act as Navy editor during the drive for recruits.

According to an announcement made public in Washington, a limited number of additional men between the ages of 17 and 30 will be given a chance, by enlistment in the Navy or Naval Reserve, to get to the top, with big pay, in jobs which by their aptitude and as a result of examination they show themselves fitted, from among nearly 30 different trades and vocations. These include such callings as aviation mechanic, dental technician, photographer, diesel engineer, radio technician, electrician, welder, storekeeper and baker. Enlisted men may also qualify for commissions as officers.

Beginning this week, the Navy plans for a limited time to accept new qualified men for training. These men will be sent to one of four Naval Training Stations and may have a chance to go to a Navy Trade school even before assignment to the fleet. During this period they will be given regular Navy pay and the Navy's free schooling is valued at hundreds of dollars.

"Never in the history of the United States has there been greater opportunity for loyal young Americans to serve their country and build their futures than right now," said Secretary Knox.

In outlining the many advantages offered by enlistment in the United States Navy, Mr. Horan, Navy Editor of the News, said, "It is possible for a bright young man to increase his pay seven times during his first enlistment and he can earn as much as \$126 a month. This monthly figure is actually worth much more when it is remembered that the man has few living expenses and is provided with the finest of medical and dental care.

"You have all your food and lodging, and also your original outfit of clothing provided by Uncle Sam free," Horan continued. "In addition there are free sports and entertainment—even to the latest Hollywood pictures. On top of this you get free travel and adventure in colorful places—a thing few civilians can afford.

"When you consider the size of this country and the fact that the Navy will select only 15,000 applicants a month from many times that number throughout the United States, the quotation, 'Many are called but few are chosen' will apply to local young men interested.

"Navy men are a 'hand-picked' lot. Candidates must be men of more than average intelligence and ambition, of fine moral character and must have the written recommendation of at least two local townspeople."

As Navy Editor, Adjutant Horan has just received from Washington a supply of free illustrated booklets for all men interested and, in addition, will welcome inquiries from young men who wish to look into the new and greater opportunities the Navy now offers for training for future civilian careers as they serve their country now in its emergency.

Those interested youths who wish further information may contact John L. Horan by phone 140-J, or 43, for an interview.

Plant, Flower Section Planned at Radio Shop

A department for the sale of potted plants, cut flowers and floral arrangements is being arranged in connection with Burt Anderson's radio shop on Lake street. Anderson has assisted with floral work at Pollock's greenhouse for several years, in addition to his radio work.

Present Citations At Dinner Dance

Citations for co-operation with the American Legion were presented Monday night to Antioch leaders at the fifteenth annual dinner dance given by Antioch Post No. 748 and the Auxiliary at St. Peter's hall. Above (left to right) are Arthur W. Rosenfeldt of the village board,

First Aid Classes Make Rapid Progress

Instructor Harry Greenlee Commends Men for Interest in Work

Members of the Antioch class receiving first aid instruction, and the picked, the class which have been holding joint meetings, have been highly complimented by their instructor, Harry Greenlee, who is in charge of the classes. Rapid progress is being made by all members of the classes, according to Greenlee, and a keen interest is being shown in all phases of first aid and rescue work.

At the last meeting of the classes here Greenlee had the assistance of Lieut. Herman Rosing and Clarence Shults, local rescue squad instructors, and Clair Gleason of Grayslake. The men assisted Greenlee in giving special instructions and demonstrations in the use of traction splints and artificial respiration. The "E & J" inhalator, one of the new oxygen serving devices recently purchased by the Antioch squad, was demonstrated by Lieut. Rosing. The inhalator, together with the SOS oxygen serving appliance is used in heart attack and other cases where a steady flow of oxygen over long periods is required in the preservation of life.

Hunters Welcome Opening of Pheasant, Rabbit Season

Hunters alighting from cars, drawn up along roadsides and setting off hopefully through the fields—and numerous other fields sans hunters but marked by fence posts aggressively placarded with "No Hunting" signs—these marked the opening of the pheasant season in the environs of Antioch Monday morning. No hunting casualties have been reported so far in this vicinity.

Quite a few hunters reported they had secured their limit of two pheasant cocks Monday or Tuesday. Others turned to rabbits, since the season for rabbits and quail also opened on the same date.

Dates and limits for these three species are:

Quail—Nov. 10 to Dec. 10; daily bag limit 12, possession limit 24.
Pheasants—Nov. 10 to Nov. 19; daily bag limit two cock pheasants; possession limit four.

Rabbits—Nov. 10 to Jan. 15; daily bag limit 10, possession limit 20.

The season for ducks, geese and coot will continue through Dec. 14.

Rev. Bohi Is Transferred to Kansas City Pastorate

The Rev. Philip T. Bohi, who was pastor of the Antioch Methodist church for four years before going to Des Moines eight years ago, has been transferred to the Grand Avenue Methodist church, better known as the "Downtown Church," of Kansas City.

His new pastorate, which has a membership of more than 1,200 is the largest in Kansas City and one of the four largest in the conference. Its services are frequently broadcast over a Kansas City radio station.

Rev. Bohi was recommended by Bishop Waldorf for the pastorate when the clergyman who had served it asked to be relieved of his duties because of his advanced age.

Mrs. E. G. Anderson, who has a summer home at Lake Marie, suffered a severed artery just above her right wrist, when she tripped and fell against a glass door at the residence Tuesday morning. She was treated by Dr. A. N. Berke of Antioch.

News to Be Printed on Wednesday Next Week

Because of the Thanksgiving holiday, the Antioch News will be issued on Wednesday afternoon next week. All copy for news matter and advertisements should be brought in one day earlier than usual.

Life's little dramas.—Going back from the Legion's touching and impressive Armistice Day services at the village park, that must have brought back memories of years ago to many who were there—and landing back in the midst of today's happenings with a vengeance; watching the boys of the drum corps break ranks and scatter; seeing a woman with a severed artery being rushed into a doctor's office, with a uniformed Legionnaire helping her up the stairway; hearing about a local young man shooting his toe off discussing a new canned goods product with one of the village grocers; and hearing a smiling, joking visitor to the newspaper office confess that he was half frantic with anxiety over his son (serving down south on army maneuvers), who had called him long distance late the night before from a little unknown southern town to say he had been slugged and robbed as he was passing a dark alley when he left a movie theater to look for the friends who came to town with him in an army truck... and here the lad was, battered, bleeding; the town's one police officer apparently quite apathetic to the plight of "just another damned soldier from up north"; his friends nowhere around; the only place open a drug store that was being cleaned up by the help... and no aid or comfort seemingly any nearer than his Dad, a thousand miles away over a slim telephone wire. Yep, a small town may be a quiet place to live—but it never seems like it is.

Signs of the times.—Hunters with turned-down caps and turned-up collars clambering out of cars and scrambling through fences into fields that appear to be likely hiding places for pheasants... And those aggressively placarded fence posts with the "No Hunting" warning on them.

Doc. Tague has been getting quite a lot of fan mail, personal razzing and so on about the classified he ran in last week's classified column. So have we. Says Doc.—"Nevertheless, those two bulls are of the 'milking' Short-horn strain... but maybe you'd better re-word that a little for this week."—So we did. How do you like it now?

A LAWYER SPEAKS. The Armistice day address of Attorney William F. Waugh here Monday night has been the subject of much comment, favorable and otherwise. No one, however, has stated that Mr. Waugh is not an able speaker. He is. Every one admires a man who has something to say and knows how to say it. Being a lawyer by profession, it follows that the speaker would develop his theme tactfully, step by step, and apparently in the light of cold logic that would lead to the one and only inevitable conclusion. Skillfully the speaker explained the organization of the American Legion—the posts, districts, departments, and the national organization; he stressed the manner of voting and the selection of delegates—all

Secretary of "Not Over 50" Club to Speak Here Monday

Lincoln H. Lippincott Will Address Civic Club and Schools

Lincoln H. Lippincott, national secretary for the "Not Over 50" club, will be the speaker at a meeting of the Antioch Men's Civic club Monday evening in Konig's restaurant. Earlier in the day he will speak at Antioch High school and Antioch Grade school.

Lippincott is consulting safety engineer for the Lumberman's Mutual casualty company. He is a lecturer at Northwestern University Traffic Institute; chairman of safety committee, Rogers Park Kiwanis club; was chairman of Americanism Committee of American Legion Post No. 10 of Winnetka, Illinois, 1939 to 1940; instructor in business letter writing at Northwestern University schools of commerce 1936 to 1940; and has been engaged in safety and educational work for the last 21 years, directed the educational activities of several large insurance companies and taught insurance at John Hopkins university at Baltimore.

Since January 1937, he has made more than 600 talks to high schools, colleges, Chambers of Commerce, P. T. A.'s Safety Councils, Rotary, Kiwanis, Lions, and similar organizations in 31 states and the Dominion of Canada in behalf of the "Not over 50" club.

The "Not over 50" club was organized in September, 1935, by the Lumberman's Mutual Casualty company of Illinois as its contribution to highway safety. It has grown steadily and now has 300,000 members who have voluntarily agreed to follow its ten point safe driving creed. Members are given reminder stickers for their speedometer emblems for the rear windows of their car and are sent a magazine which contains safety information and news of the club's activities. All parts of this program are furnished without cost or obligation.

P. T. A. Hears Talk On Juvenile Reading

Pupils Present Special Program of Music Monday Night

The old fairy tales presented in their original form are best for children, according to Mrs. Inger Hove, children's librarian at Highland Park public library, who spoke here Monday night before the Parent-Teacher association at the Antioch Grade school.

Fairy tales have a definite place in child life, Mrs. Hove said. Attempts to modernize the old tales destroy the lessons they are meant to convey, and it is far better to hold to the old versions of fairy tales and Aesop's fables, the speaker said.

The musical part of the program, presented by Mr. Von Holwede and pupils was appropriate to Armistice day and consisted of songs by Joan Felter and June Spangberg and a trumpet solo by Donald Heath.

A letter from the school board thanking the association for the rug recently purchased for the kindergarten room was read during the business session.

The monthly card party by the association will be held Nov. 24.

The Lake County Council of Parents and Teachers will meet Dec. 1, at the Zion High school, with the Zion grade school as host.

Prim. R. E. Clabough has been appointed parliamentary officer of the Lake County Council, and all P. T. A. members and others interested are invited to attend the third meeting of the group which is to be held soon. The time and place of the meeting will be announced.

Install 100 New Lockers; 270 Now Available

(By Martha Winch)

Every student at Antioch High School may now have a locker for himself, for 100 new lockers have been installed. This brings the total number of lockers to 270. The new lockers, which have been placed in the study hall and along the corridor, are shorter than the old ones in order that they may be arranged in two rows, one above the other, and thus conserve space.

Principal J. O. Austin requests that all lockers be kept locked.

Mr. and Mrs. John E. Traeger have returned to their home at Hickory Corners after a visit to Louisville, Ky. Mr. Traeger is a Cook County commissioner.

Mrs. K. W. Hampton plans to spend the winter months at Glendale, Calif.

City Briefs

The Golwitzers who have been here for the past ten days, left Wednesday for Phoenix, Ariz., where they will spend two months. From there they will go on to Florida, where they will spend the balance of the winter.

Mrs. N. E. Sibley returned home Wednesday from a week's visit with Mr. Sibley at Dayton, Ohio.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

UNION WITH CHRIST

LESSON TEXT—John 15:1-10.
GOLDEN TEXT—Abide in me, and I in you.—John 15:4.

Our lesson presents deep spiritual truths concerning our union with Christ—mystical, but practical; precious, but too often forgotten or neglected.

I. The Conditions of Union With Christ.

There is a sense in which union with Christ is entirely unconditional, one is either united with Him by faith or he is not. However, there are conditions for the fulfillment of all that such union carries with it. It is in that sense we use the word.

1. Cleansing (vv. 1-3). Christ is the Vine, and the believer as a true branch is united with Him. There is a oneness here which is difficult to express but, delightful to receive and believe. He who is the Vine needs no cleansing, but the branch needs constant, daily purification by "the Word" (v. 3). Are we permitting God's Word to keep us clean? Only if we are reading it, studying it, meditating upon it.

There is moreover a severe type of purging to which the husbandman subjects the vine that it may bear more richly, and that is pruning (v. 2). It may not be pleasant, my brother, but it is profitable, and remember whose loving and sure hand it is that wields the pruning knife (v. 1).

Some branches must be cut away altogether (v. 1) and burned (v. 6). They lack the evidence of life—fruitbearing—and must be destroyed. These words are evidently not written to dishearten true believers, but they are a solemn warning to those who bear a false profession of Christianity.

2. Abiding (vv. 4-8). The branch bears the fruit of the vine. It has no strength or ability of its own to bring forth fruit. The Christian cannot serve Christ without abiding, and if he does abide the life of Christ will show forth in his living and serving. There can be no union without abiding in Christ.

3. Obedience (vv. 9, 10). The hall-mark of character in a child is obedience. That is also true in God's household. There is no use in talking sweetly and piously about abiding in God's love unless we obey His commandments. The Christian who disobeys the teachings of God's Word regarding holy living and does not respond to the leading of the Holy Spirit shuts off the blessing of God in his own life and stops its flow out to others.

II. The Results of Union With Christ.

1. Purity of Life (v. 3). "Now ye are clean"—how refreshing our Lord's words sound to us as we live in a wicked and filthy world. We sometimes wonder if there are any pure lives anymore. Yes, there are—those whom the Lord has cleansed by His Word. Would you like to be clean? Turn to Him and to His Word.

2. Prevailing Prayer (v. 7). At first one wonders why our Lord put in that word about prayer, but it is evident that one of the fruits of union and fellowship with Christ must be intelligent prayer according to God's will, in the power of the Spirit, and certain of an answer. Notice that the prayer promise here is absolutely unlimited, but that it follows on "if" which states a closely limited condition. Let us fulfill the condition and claim the promise.

3. Fruitbearing (vv. 2, 4, 5, 8). The fruit a Christian bears is the fruit of Christ who is the Vine, but as the branch he does have the joy of bearing "fruit" (v. 2), "more fruit" (v. 2), and "much fruit" (vv. 5, 8). The Christian's phraseology can be borrowed, the Christian's service imitated, but his fruit produced only by abiding in Christ.

4. Abiding in Love (v. 10). We have been talking about abiding all through our lesson and it may seem strange to list it as one of the results of union with Christ, yet it belongs here. Our Lord said (v. 10) that the cleansed and obedient disciple should abide in His love, even as He obeys the Father and abides in His love.

What a picture that is, Christ, the One who knew no stain of sin (II Cor. 5:21), always perfectly obedient to the Father (Heb. 10:7), who knows complete and perfect fellowship with the Father, reaches out His loving arms and draws the believer into the circle of that blessed union and love.

What a picture that is, Christ, the One who knew no stain of sin (II Cor. 5:21), always perfectly obedient to the Father (Heb. 10:7), who knows complete and perfect fellowship with the Father, reaches out His loving arms and draws the believer into the circle of that blessed union and love.

No one can ever become quite solitary; quite poor, quite miserable, who can truly say "Lord, if only I have Thee." That is just the time when God makes his consolation most gratifying and abundant, when we through distress of body and soul have turned from all temporal things to Him, and have learned that royal, overshadowing "only Thee."—Theodore Christlieb.

Biddy Goes to Work Early

America will need millions of eggs this winter, as part of the "defense food" production. Kathryn Hines, pretty 4-H club girl, shows biddy that soldier hours will be expected. Many poultry producers follow this practice of turning on electric lights in laying houses early in the morning during winter months. The practice compensates for the fewer hours of daylight and gives hens a full day of eating and laying.

MAYBE it's a little hard to picture this trim Buick as it will look on that unknown day when you come to turn it in.

There may be scars in its fenders, and use-stains on its upholstery—but the thing that matters is it'll still be going great guns.

You can count on that husky valve-in-head straight-eight to be ticking off the miles with the satisfying efficiency it now boasts.

You can rely on Compound Carburetion to hold your gas-costs down, squeezing every last power-packed mile out of the fuel you burn.

There won't be any loss of easy comfort in those all-coil springs, or any need for care to keep them gentle.

As for such things as connecting rods and bearings—Buick rods are extra strong, while tests show that our oil-cushioned bearings last twice as long as others under the same load and service.

So go right ahead! Buy Buick on its last mile instead of its first.

Woman's Club Will Hear Speakers Of Chi. "Round Table"

An exceptionally interesting program is promised for the meeting of the Antioch Woman's club Monday afternoon, Nov. 17, when three speakers from the Chicago Round Table of Christians and Jews will discuss "The Kind of a World We Want to Live In."

Guest Day will be observed at this meeting, to be held in the home of Mrs. C. K. Anderson, "Andy Villa," at Lake Catherine.

Speakers will include: Miss Thecla Donat, outstanding Catholic, formerly principal of the Spaulding School for Crippled Children, member of the board, and one of the founders of the Illinois Association for the Crippled.

Mrs. James M. Yard, wife of the director of the Mid-West area of the National Conference of Christians and Jews, chairman of the Metropolitan Industrial Committee of the Young Women's Christian Association, and well known civic leader and prominent Protestant.

Mrs. David B. Wodlinger, well known Jewish club leader, vice-president of the Conference of Jewish Women's Clubs, in charge of defense activities for various groups, and lecturer on International relations.

Assisting Mrs. Anderson on the hostess committee for the afternoon will be Misses Amos P. Bratrude, C. E. Hennings, Earl Hays, Fred Swanson and Arthur Trieger.

CARL HATTENDORF'S BABY SON IS CHRISTENED

Mrs. Paul Vezens, great-grandmother of Herbert Leo Hattendorf, month-old son of Mr. and Mrs. Carl Hattendorf, also acted as godmother for the child, who was christened on her birthday anniversary Sunday morning at 11:30 o'clock in the Antioch Methodist church, with the Rev. W. C. Henslee officiating.

Mr. and Mrs. Harry Vezens of Chicago, grandparents of the baby, acted as sponsors and the child was held in the arms of his aunt, Mrs. William Hattendorf, wife of Carl's brother.

Also present for the occasion and for the family dinner which followed, at the home of Mr. and Mrs. Paul Vezens, were Mr. and Mrs. George Vezens, Harry and Mrs. Vezens, and Mr. and Mrs. Herbert Vezens of Pleasantfield, N. J.

Also present for the dinner were Dr. and Mrs. Harry C. Hays of Chicago.

GIRL SCOUTS HOLD RED CROSS DRIVE

With considerable attention being directed toward the Red Cross drive, Antioch Girl Scouts are putting their part to a successful drive to aid this organization.

The Girl Scouts are collecting old toys that can be repaired and old playing cards as well. Boxes for such donations are being placed at the Antioch News office, Williams' Department store and Webb's Racket store.

Persons wishing to aid the Girl Scouts in their drive and desiring further information may call Antioch 176-J or 12.

CHRISTIAN SCIENCE CHURCHES

"Adam and Fallen Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 9.

The Golden Text was, "Put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; and be renewed in the spirit of your mind" (Ephesians 4:22, 23).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For as one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous. That as sin hath reigned unto death, even so might grace reign through righteousness unto eternal life by Jesus Christ our Lord" (Romans 5:19, 21).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Through discernment of the spiritual opposite of materiality, even the way through Christ, Truth, man will reopen with the key of divine Science the gates of Paradise which human beliefs have closed, and will find himself unfallen, pure and free, not needing to consult almanacs for the probabilities either of his life or of the weather, not needing to carry a map to know how much of a journey he is on" (p. 171).

38 YEARS AGO
In the Antioch News
Nov. 12, 1903

Dean Wisner and Frank Huber returned to Antioch Saturday from South Dakota, where they have been for the past three months.

The days of fearless journalism—George Blanchard and his son, Will, who have been in Oklahoma the past summer, arrived in Antioch Monday. Mr. Blanchard has not been benefited by his western trip.

William Marconi has gone to Rome for the purpose of erecting a very powerful wireless station for communication between Italy and Argentina.

Tar sprinkled over macadamized roads has been used in New Jersey to make them waterproof and free from dust and mud. This has been tried in France and has given much satisfaction to automobilists.

The tile works at Bristol have shut down for the season.

It is reliably reported at Washington that the United States will recognize the independence of Panama.

22 YEARS AGO
Nov. 13, 1919

Antioch friends will be interested in learning of the marriage of Miss Arlene Harden, formerly of this place but now of Milwaukee, to Vinol J. Ross of Green Bay, Wis., which took place last Sunday. Mr. Ross served as Sergeant-Major of the 32nd division while in France, and is now an employee of the North Western railroad.

It is now evident that Antioch will be in possession of a paved Main street next year, and in order to cooperate with this improvement all property owners in the village on Main street who have not already done so should connect up with the water and sewer pipes this fall so as to give the ground time to settle before the paving starts next summer.

The new furnace for the Antioch M. E. church has arrived and is to be set up next week.

The ground is broken for a large exercising pavilion at J. K. Deing's stock farm at Lake Villa.

Elmer McQue, son of Mrs. W. T. Harrower of Westkagan, formerly of this place, returned home Saturday night after having been overseas two years. He was with the first division Fifth Field Artillery, and served in five battles.

4 STEEL FACTS

in one minute

Steel Production Higher;
Net Earnings Lower

Although the steel industry produced 25 per cent more steel in the first half of 1941 than in the corresponding period of 1939, its total net earnings were 25 per cent lower, largely because increased costs were not offset by higher prices.

When Vanity Cases
Were Made of Iron

Egyptian ladies in 300 B.C. carried vanity cases made of iron, almost a precious metal in those days.

Saving Metals for
Defense Purposes

To conserve metals needed for defense, the steel industry and its civilian customers are cooperating in reducing the use of chromium, nickel, tungsten, tin, aluminum, manganese and zinc in steelmaking.

New Steel Capacity Exceeds
Total in 3 Foreign Nations

In January 1940, the American steel industry had an annual capacity of over 81,600,000 tons. By the end of 1941, it will have added 6,500,000 tons more, or about the combined pre-war capacity of Italy, Poland and Czechoslovakia.

Junior Play, "Don't Take My Penny," Is Enjoyed By 400

Audience Enthusiastic Over Comedy Given Thursday, Friday

(By Rosalie Sibley)

The junior class of the Antioch Township High School presented "Don't Take My Penny" in the school auditorium Thursday and Friday evenings to an audience of two hundred persons each night.

The play, directed by Mrs. Marguerite Phillips, scored a great success. The audience accepted the play with enthusiasm. Charles Fisher, playing Greg Thursday night and Jack Fields, Greg on Friday night, had the audience laughing when they appeared as models of the exclusive dress shop owned by Howard Hageman in the role of Henri, the French designer.

Roman Pfannenstill as Cary Friday and Dale Barnstable as Cary Friday added more comedy when they donned black wig and mustaches to represent Harrison Day, the writer.

Grandma, who had to keep the Pringle family in line, was well portrayed by Elaine Nelson of Thursday night's cast. Johnny Myers, who played the father who wasn't interested in much but what was in the newspapers, took his part in the last two weeks of rehearsal, but did a good piece of acting.

The play was considered by the audience to be one of the best comedies presented at the school.

Peace, Preparedness Are Our By-Words Declares Speaker

Fuller, Dist. Vice-Commander of Legion, Speaks at High School

"America stands for peace—the American Legion advocates it—but it always pays to be prepared," said Arthur C. Fuller, senior district commander of the American Legion at the American Legion program Monday in the high school auditorium.

The American Legion is to which continued the speaker. Fuller declared the youth of the Unknown Soldier at Arlington National Cemetery, and told of the manner in which the unknown soldier had been selected from the numerous corpses in the French battlefields twenty-five names had been chosen by a wounded soldier who had been blinded by gas. These were shipped to Paris where the final solemn ceremony took place when a totally blind soldier was blindfolded and told to choose a casket by touch. This casket was then shipped to America to be buried at Arlington cemetery.

Fuller also commented that palladium and courtesy be not confined to one side or one race, and mentioned the German treatment of "Teddy" Roosevelt's son, who when he was shot and killed during the last war, was buried with full honors and his grave marked by the Germans who then notified the ex-president of his death.

"Have Faith in Country" The Vice-commander advised the student body to "have faith in your country, try to learn and understand its glorious history, and always love and respect its flag."

During the program two selections were presented by the band and the audience pledged allegiance to the flag and sang "The Star Spangled Banner."

Prof. Klass, Americanism officer of the Antioch Legion Post, acted as chairman. The invocation was given by Dr. E. J. Hays.

apparently a buildup for the assertion that the blanket endorsement of the Roosevelt foreign policy voted at the American Legion national convention at Milwaukee was a true expression of the American Legion and a cross-section opinion of America in general. It was all a masterful exposition. That was commendable. The speaker pleaded for a united nation. That was commendable. But when he asked his hearers to subscribe to and support all of the administration leaders, who he said "were duly elected by the people,"—that was too much. He conveniently forgot to remember that we are being governed mainly by a set of bureaucrats who were not elected by the people. Shining examples of our bosses are H. V. "White House Guest" Hopkins, Leon "Price Boss" Henderson and the thousands of other smaller fry, all bosses, but who never were chosen by the people in a free election.

Also difficult was the speaker's remark about the administration and "advice guidance." We wondered if the same inspiration guided the "voice from the sewers" into the Chicago stadium to help stymie the nomination of Roosevelt for a third term. Perhaps it's the same guidance (it couldn't be divine) that prompted the President to keep his "four freedoms"—Jimmy John Elliott and Franklin, far from the maddening crowd's ignoble strife. No Roosevelt son will ever be sent to his death in the war zone, not if a thousand ships go down and five million American boys are lost in the New Deal's war, a war that the administration is afraid to put squarely up to congress, and which 85 per cent of the American people oppose as unnecessary and avoidable.

Once upon a time Mr. Roosevelt promised that when his Administration made mistakes it would admit them.

Up to now there have been no admissions. The conclusion must be that there have been all-hits, runs and no errors.

Phooey!

Mr. Perkins is mistake number one in the Cabinet. Secretary "Oil Shortage" Ickes is mistake number two in the Cabinet.

Get rid of these two misfits, both of whom are low in public esteem and both of whom are illogical and incompetent, and public confidence would be somewhat restored in the ruling Administration.—Red Oak (Iowa), Express.

Editor's Note: The Red Oak Express is slightly in error. Mr. Roosevelt has admitted one mistake—the New Deal Thanksgiving Day.
